

THANK YOU

All Owners of Queen Lake Property or Deeded Access to Lake,

The Queen Lake Association wishes to thank all of those who have contributed toward the Weed Treatment Fund. It will take all of us and a continued effort to save our beautiful lake for future use. The following is a list of those who have contributed toward weed treatment.

Please continue to encourage neighbors who have not yet contributed to do so.

Solitude is preparing for initial treatment this spring.

Please stay well in these difficult times and we will keep you informed on progress of plans for treatment.
